

Data protection notice

To participate in the **ARE Green Industrialisation Days on the 24-25 September 2026**, in Brussels, Belgium, participants need to register on the event platform hosted on Odoo. (For the data protection and privacy policy of Odoo, please [click here](#))

The data shared in the participant profile will be processed by Alliance for Renewable Electrification (ARE) and Enabel.

The aforementioned organisations will manage your data in compliance with the General Data Protection Regulation of the European Union. The information you are asked to complete is necessary to organise the event you will be attending, to confirm your registration by e-mail. After the event, your data will be processed to conduct post-evaluation surveys by e-mail or phone call and to obtain general analytics about events implemented by ARE and Enabel. By registering, you consent to the processing of your personal data for the purpose described herein.

ARE retains a list of participants of its "ARE Green Industrialisation Days" event in order to facilitate repeat invitations. For the privacy policy of ARE, please [click here](#). If you want to delete or change your data, please get in touch with hello@renewelec.org. Enabel will store your data until 31 December 2027 for post-evaluation purposes and anonymise it afterwards.

You can obtain written communication of your data processed in the context of the "ARE Green Industrialisation Days," rectification, restriction of processing, erasure, and where appropriate, portability of your data by emailing to hello@renewelec.org.
